

## PEDIGREE PROFILE

# Jazzy looks snazzy in first graded stakes triumph

by Rommy Faversham

Jazzy (Arg), a lightly raced Argentine-bred mare, enjoyed a smooth transition from turf to dirt as she scored a three-quarter-length victory in the \$147,000 Gallant Bloom Handicap (G2) on Saturday at Belmont Park.

### JAZZY

The win marked the first graded stakes victory for the five-year-old Mutakddim mare, who covered 6½ furlongs in 1:16.71. Jazzy began her racing career in South Africa, where she was a Group 1-placed stakes winner. The petite bay mare's tendency to bleed led to her transfer to the United States, where she could be treated with furosemide.

In her two previous starts this season in America on the grass, Jazzy was second by a nose in the Incredible Revenge Stakes at Monmouth Park on July 21 and then won a neck decision in the Capades Stakes at Saratoga on August 22.

Her career mark stands at five wins from ten lifetime starts with earnings of \$186,716. She is being considered for the inaugural \$1-million Breeders' Cup Filly and Mare Sprint on October 26 at Monmouth Park.

Jazzy was bred by Haras La Quebrada, one of Argentina's leading Thoroughbred farms. She is one of five winners out of the winning Southern Halo mare Jollie Fille, a full and half sister to two South American stakes winners.

Jazzy descends from a very prolific and accomplished family. Her fourth dam, Jungle Queen, is the matriarch of 12 international Group or Grade 1 winners, including 1995 and '96 Horse of the Year Cigar and 2002 Donn Handicap (G1) winner Mongoose.

Jazzy hails from the fifth Argentine crop of the popular shuttle stallion Mutakddim, who stood the 2007 Northern Hemisphere season for \$12,500 at Hill 'n' Dale Farm in Lexington.

The best of Mutakddim's American-bred offspring has been multiple Grade 1 winner Lady Tak. He also is the sire of the Grade 3 winning fillies Hattiesburg, Brunhilda (Arg), and Seek a Star.

The mating of Mutakddim with Southern Halo mares at La Quebrada has shown to be a particularly valuable cross, producing five of his nine Argentine Group 1 winners.

Mutakddim's background is rich with strains from the great matron

### Jazzy (Arg), b. m., 2002

\*La Troienne. As such, Jazzy's pedigree is supported by Make Tracks, the sire of her third dam and a grandson of \*La Troienne.

Like many of Mutakddim's best offspring, Jazzy is most closely inbred to Northern Dancer, but with that one's close relative, Halo, appearing in the third generation, what looks like simple inbreeding to Northern Dancer is really inbreeding to the family of Northern Dancer.
